Company Warehouse

One-stop shopping experience

We supply more than 100 brands, including ABB, Allen Bradley,Honeywell, Bentley Nevada, Invensys, Emerson, Siemens, etc., to meet customer's inquiry needs.

Staff

There are 10 staff working in our warehouse, and 3-4 of them, with rich experience of more than ten years, are very professional in the delivery process. Taking the advantage of clear classification of various brands in the warehouse, we can find the stock items in the first time and achieve fast delivery on the same day.

Packaging

We use foam air cushion to protect our products and reinforce the outer packaging so that it can be delivered to the customer in good condition.

Company Welfare Policy

We have large inventory for general models, which enables us to timely replace the required parts for customers, and the after-sales service is more guaranteed.

Moore Automation Limited

▸ Product Sales Market

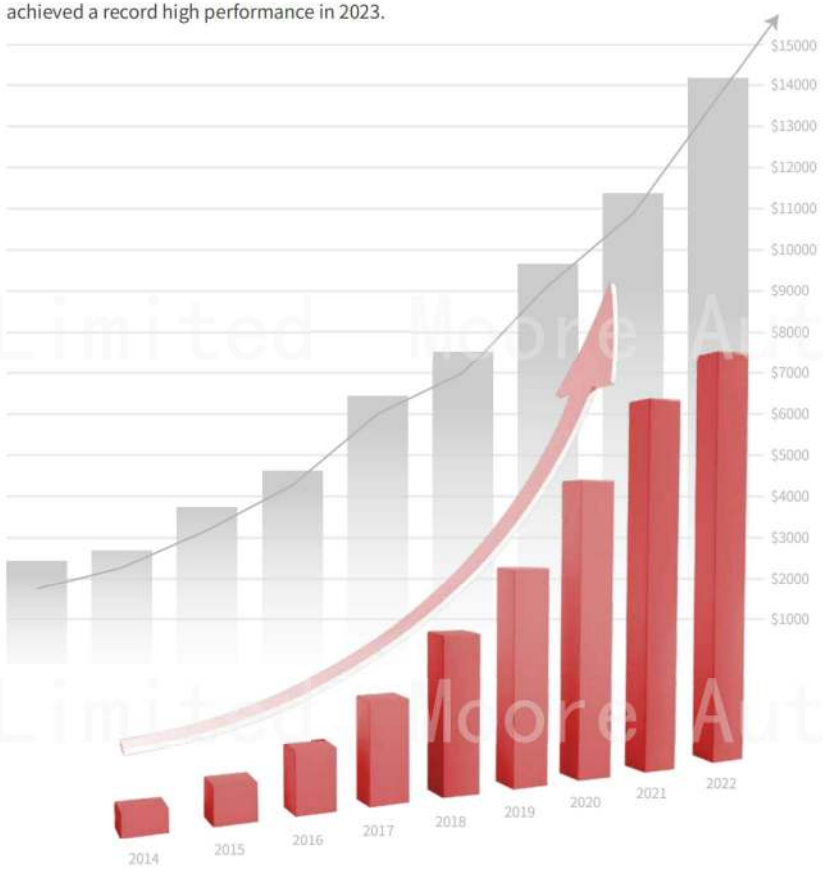

Our customers are all over the world, and our products are widely used in various fields, such as Oil and Gas, Chemical, Mining, Metallurgy, Power Generation, Steel Mills, Cement Plants, Marine, Food and Beverage, and other processing plants, all of which use control systems to operate their systems. Corresponding equipment, such as gas turbines, blowout preventers, processing equipment, etc.

- 16 Years Sales Experience
- 55,681+ Customers
- 91,682+ units Global sales
- 165+ Countries

Company Annual Sales Performance

From 2014 to 2023, through the unremitting efforts of our professional sales team,the tenacious ability to resist pressure, the spirit of unity and the overall layout of leadership,we achieved a record high performance in 2023.
